

## Gift of Knowledge

**1: there were 24 elders in the book of revelations; 12 tribes in the old testament and 12 apostles in the new testament (refer to exodus 28:29 and Matthew 19:28). What is the significance of these numbers being referenced?**

**2: If you are using this Gift, but do not have the fruits needed, love, peace and gentleness; how do you think people will receive your words? How can you ensure that you are using this gift effectively?**

**3: In Isaiah 30:31 it speaks of imagery of eagles. Eagles represent prayer warriors in the Bible. Was there ever a time you had a vision of an eagle; that had a deeper word of knowledge in the vision? Were you able to discern who the word was for? Were you able to interpret the vision? And if you gave the word of knowledge to a person; how did they receive it?**

**4: In Acts 9:11 Has the Lord ever directed you to specifically meet or speak to someone and when you did, they tell you they were praying for God to show up for them in the very specific way that you did?**

**5: 1 Samuel 9:19-10:8 Do you have any examples where someone had a very specific word of knowledge for you? Did it make sense at the time? Did you obey? What was the outcome?**
